FINISHING TIMES FOR EVENTS

It was decided at the July 2013 meeting that in the interests of safety all events (except Offshore) and in particular training must conclude before dark. As dinghies do not have navigation lights they must be off the water by dark.

A list of acceptable times is set out below.

Clubs may need to modify some of the times submitted for the calendar to reflect the time limits set out below.

AUGUST	1800
SEPTEMBER	1830
OCTOBER and NOVEMBER	1900
DECEMBER to MARCH	1930
APRIL and 1 st to 20 th May	1800
21 st MAY to JULY	1730
