

COASTAL ZONES

Coastal Zones definition of altered and new zones are as followed:

Leighton Zone (L): Should only be used for races that are restricted to the area roughly bounded by Hall Bank Beacon, Leighton Beach, and the North Mole

Mangles Bay Zone (M): Northern limited is defined as finish at a line from BP refinery flare to Colpoyes Point, thus including all of TCYCs normal sailing courses.

Carnac Zone (C): North to the Straggler Rocks

Cockburn Sound (CZ): Area bounded by a line west from Woodman Point in the North and the Mangles Bay Zone in the South.

Gage Roads Zone (G): Area bounded by a line running due west from the North Mole in the south, in the west by a line running due north and due north and due south of Phillip Rock (Rottnest Island) and in the north by an east/west line passing through Fairway Landfall Buoy.

Hillarys Zone (H): Area bounded by Scarborough to Hillarys

Northern Zone (N): Area bounded by Ocean Reef to Yanchep

Please use the abbreviations as follows:

1. **C** Carnac Zone
2. **CZ** Cockburn Sound
