Case Studies for RAP

As Australian Sailing develops its Reconciliation Action Plan (RAP), we would like to find out about and showcase initiatives taking place across Australia.

Please share examples of projects, courses or events where your club or class association has worked with or involved Aboriginal and Torres Strait Islander peoples in sailing.

1. (Required) Club/Class name

2. (Required) Postcode, State

3. (Required) Contact name

4. (Required) Contact email

5. (Required) Project Title

6. (Required) Can you provide a brief report on the project/ initiative, including what you did, when it took place, how many people were involved, from which Mob or organisation/school

7. How many participants attended the event/ course if applicable?

8. (Required) What outcomes did your project achieve e.g number of people sailing / greater connection etc
