### Winners of World and National Titles for 2020/2021

*Dear, Club, Class Association or other entity,*

*Australian Sailing desires to have quality engagement with your Incorporated Associations (albeit Club, Sailing Class Association, Sub Committee or other entity) via your executive committees, administrators and staff.*

*We regularly speak through our various media and operational channels;*

- *List (itemise our channels)*

*Our sports management software RevSPORT is capable of having 99 Organisational Officials listed so we advise that you via this survey or this process update your contacts in order to receive quality information that can support you.*

*In order that you can contact us please note down this information;*

- *List who is who in our zoo and how to contact us and for what*

*Sailing Class Associations we also want to know about your recent champions and upcoming events so please itemise any significant results in the past season and major events you are committing to.*
