Women in Sailing Charter Expression of Interest

Celebrate and Strengthen Your Commitment to Women in Sailing

Australian Sailing is committed to advancing gender equity across our sport and invites all clubs and class associations to become Women in Sailing Charter signatories.

Signing the Charter is a powerful way to show your commitment to creating inclusive, welcoming environments for women and girls — and to celebrate the great work your club may already be doing in this space.

Getting started is easy: complete the expression of interest form below, and your local Club Support Officer will be in touch to arrange a short meeting.

Let’s work together to grow participation, leadership, and opportunities for women and girls in sailing.

1. (Required) Club or Class Association Name

2. (Required) Contact Name

3. (Required) Mobile

4. (Required) Email address
