Safety & Sea Survival Assistant Instructors Application (Trial)

Australian Sailing is trialling two new Safety Sea Survival Assistant Instructor qualifications.

The role of a Safety & Sea Survival Assistant Instructor is to support a qualified Safety Sea Survival Instructor during the delivery of either the theory or practical sessions of a Safety Sea Survival Course.

The two Assistant Instructor qualifications available are:

- Theory Assistant Instructor – assists in the delivery of classroom theory content.
- Practical Assistant Instructor – assists in the delivery of the practical activities (eg pool-based).

The cost of the Safety & Sea Survival Assistant Instructor qualification is $150.00.
